Touch of Class

Vision

To be the trusted partner by crafting distinctive interiors that reflect each client's personality and lifestyle — combining creative design, practical function, and timeless appeal

Mission

Our mission is to provide personalized interior design solutions that blend timeless elegance with each client's unique taste, ensuring every space feels both welcoming and uniquely theirs

Values

1 ***Elegance & Quality:***
We prioritize timeless elegance and high-quality craftsmanship in every detail.

2 ***Personalization:***
We believe each space should reflect the individuality of its owner, so we customize designs to tell each client's unique story.

3 ***Innovation & Creativity:***
We embrace innovative ideas and creative solutions to bring fresh perspectives to every project

4 ***Integrity & Trust:***
We are committed to honesty & transparency, building lasting relationships based on trust.

PASSION FOR DESIGN, PRECISION IN EXECUTION

At Touch of Class | Interior Design & Architecture, we're dedicated to creating spaces that feel effortless yet refined. Our approach is simple: we listen, we interpret, and we bring to life designs that echo our client's personal style while ensuring comfort and function at every turn.

Our team brings a diverse set of talents and an eye for detail to every project. We believe in creating spaces that are more than just beautiful, they are spaces that make you feel at ease. Led by our founders, we blend experience with a deep love for design to craft homes and interiors that are as inviting as they are elegant.

MIVIDA
PROJECT

Touch Of

A sophisticated approach to interior design shapes every corner of the Mivida Project with elegance and warmth.

The design celebrates a balance between aesthetics and practicality, offering a space that feels luxurious yet deeply personal.

3D

Project: Mivida

At Touch of class , design is only the beginning. We don't just create 3D visuals, we bring them to life with precision, passion, and an eye for every detail. From concept to execution, our team ensures that each element is realized exactly as envisioned ,often even surpassing the original design. Because for us, true creativity lies in turning ideas into tangible spaces that inspire and endure.

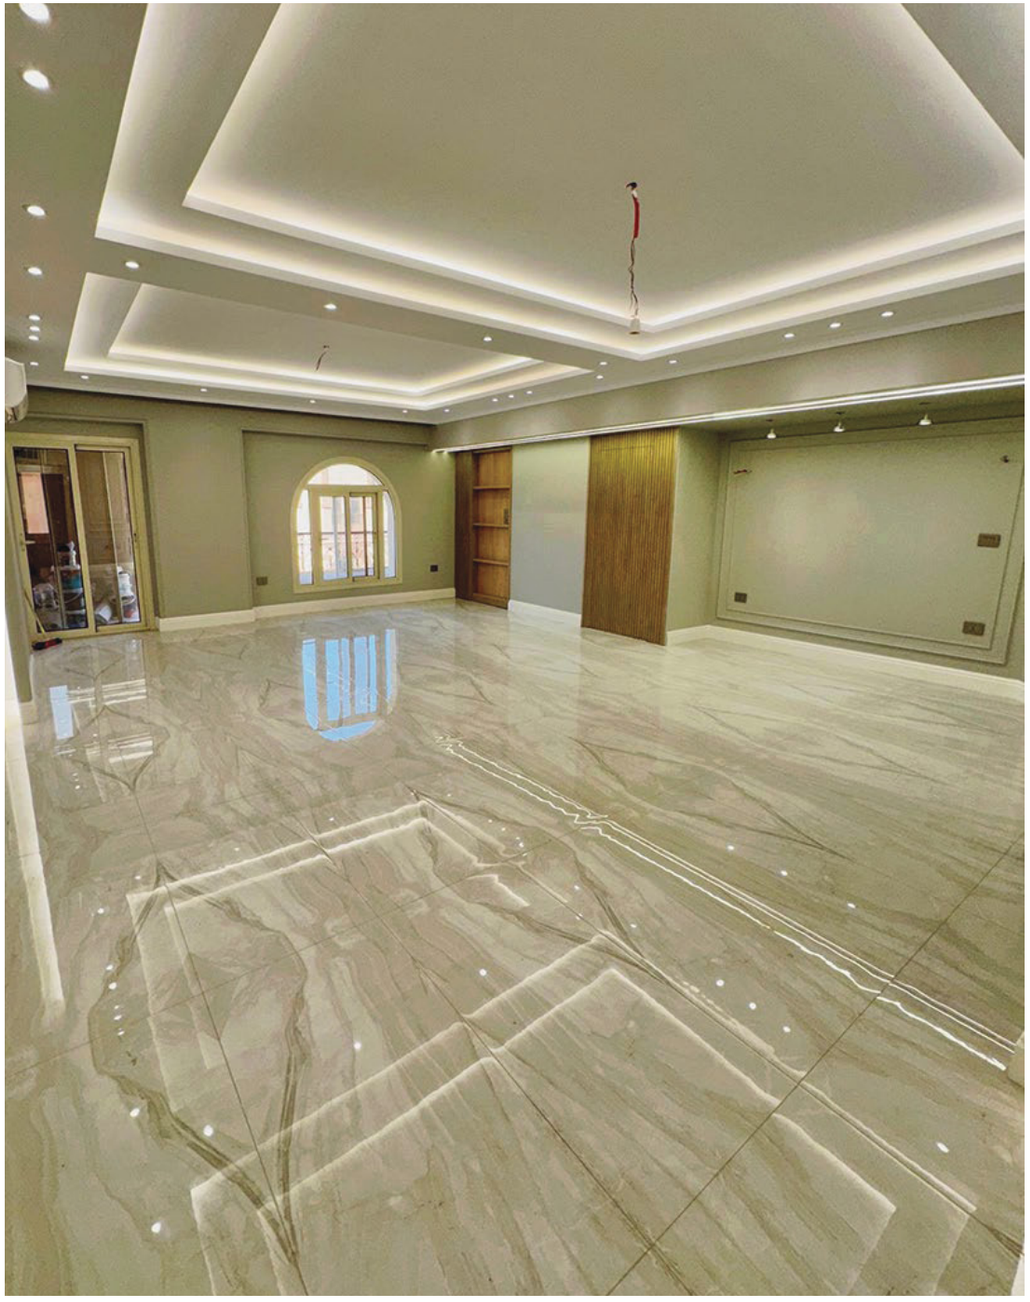

Project: Mivida

The space embraces different shades of grey to create a calm, contemporary atmosphere. Clean lines and balanced textures highlight the beauty of simplicity. Every element was chosen to reflect modern comfort and subtle luxury. The result is a timeless design that feels both refined and serene.

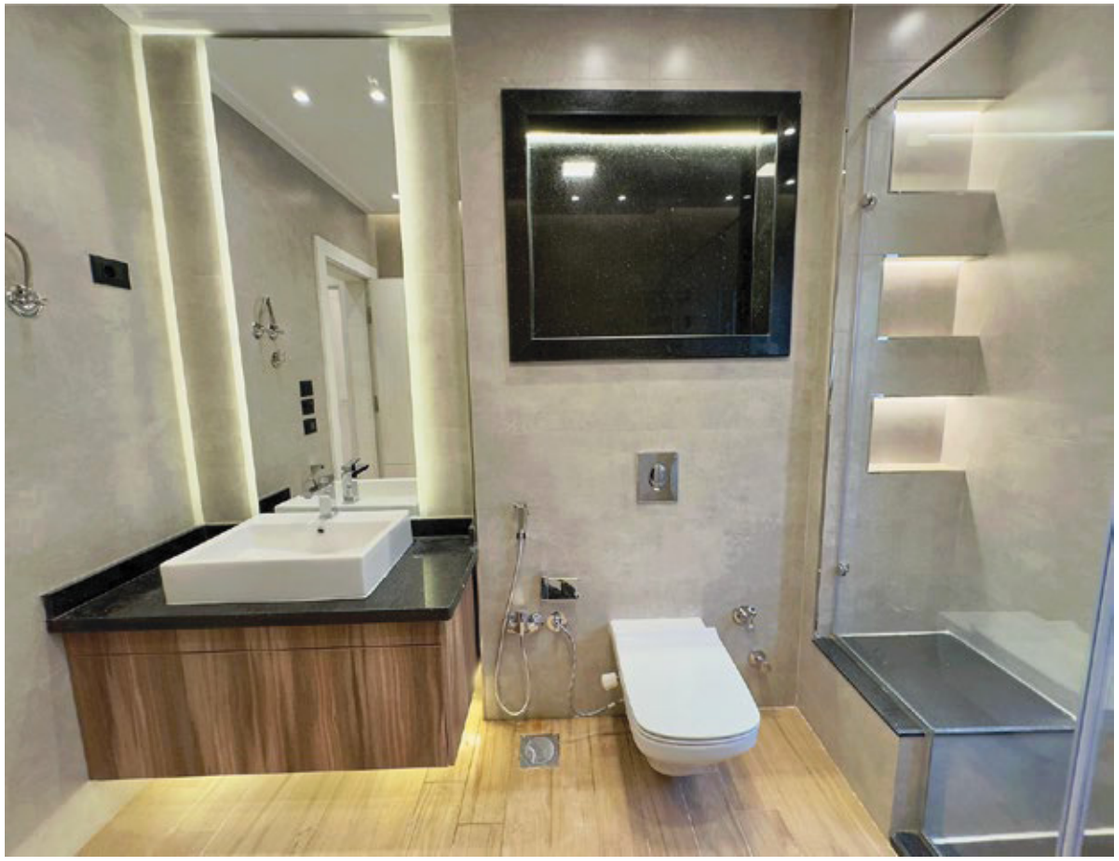

HAYATY RESIDENCE

PROJECT

This residence is a testament to livable elegance, where every design decision reflects a careful blend of style & functionality.

By prioritizing comfort and esthetics, the interiors create an inviting atmosphere that elevates everyday living to an art form.

LOTUS
ROOF PROJECT

Before

After

Lotus Roof transforms an outdoor space into a captivating retreat. With a design philosophy that prioritizes comfort and aesthetics, this project turns open-air living into an elegant experience. Inviting textures and understated luxury define the design, making it ideal for social gatherings or quiet reflection.
